## Health and Safety Statement of Intent

### 2024-25

The **Trustees of the Group Board** recognise and accept their responsibility, as the employer for all United Church Schools Trust (UCST) and United Learning Trust (ULT) employees, to provide workplaces and work practices which are safe and healthy for employees, pupils, and visitors - including contractors or anyone else who might be affected by our operations.

**Trustees** are especially mindful that exposure to risk is an essential part of the education process. **United Learning** is committed to providing a learning environment that, whilst not unduly hazardous, provides all students with a stimulating experience that equips and prepares both children and young adults for life in the real world.

In all schools, the day-to-day responsibility for health and safety rests with the **Head Teacher**. At central office, the **Executive Team** share this responsibility. Overall, the **Chief Financial Officer** is the Executive with responsibility for health and safety compliance. The **Group Health and Safety Manager** is the person appointed under Regulation 7 of the Management of Health and Safety at Work Regulations 1999 to assist the **Chief Financial Officer** in fulfilling these responsibilities.

The **Group Health and Safety Manager** authors and reviews the Group Health and Safety policies, carries out monitoring and audit activities to establish and evaluate compliance with these policies, investigates significant accidents or incidents on behalf on the Trusts, and regularly reports on organisational compliance to **Trustees**.

**United Learning** operates a devolved system of operational control in its schools, guided by the overarching requirements of the Group's health and safety policies which are expected to always be followed. **Trustees** acknowledge the operational flexibility required in each school and accept the risk gap this approach creates. Should non-compliance be identified **the Trust** reserves the right, as the employer, to take control of school operations as may be necessary to ensure no persons are placed at unacceptable risk.

Each school has a **LGB Representative for Health and Safety** who represents the Local Governing Body at the school's termly Health and Safety Committee meetings. The **Head Teacher**, alongside the **LGB Representative for Health and Safety** reports to the local governing body on health and safety matters, which are a standing agenda item at local governing body meetings.

**Employees** are reminded of their own duties to take care of their own personal health and safety and that of fellow employees, pupils and any other persons who might be affected by their work activities.

Details of the organisation for health and safety management and the arrangements for policy compliance are to be found in each site's localised Group Health and Safety Management Policy and its subsidiary topic policies. All **United Learning** employees are expected to adhere to the supporting principles shown overleaf.

Sir Jon Coles
